Fairfax County Park Authority The Summer Solution for Fun!

What our Customers Say:

"This was the best county camp we have ever done. It was run very well. Pick-up and drop-off were efficient and very safe. My daughter had a blast and was so sad when it was over. Best ever! Thank you."

"This camp far exceeded my expectations! My daughter loved all of the hands-on activities and learned so much about animals. I will definitely recommend this to friends and will be back when my youngest daughter is old enough! Thanks!"

"This was an amazing camp. Both of my sons attended. The projects were very creative and all of the activities were well received by my boys. Thank you for this great experience."
